

Student Cloud Licences

Online Purchasing &

STEP 1: INFORMATION

You will need the following information from your instructor.

- The programs to purchase; Auralia, Musition or the Auralia & Musition Bundle.
- School Code
- School PIN

STEP 2: PURCHASE

Purchase the software as required by your institution, using the links below. Following your purchase you will receive an email with your serial number. Please check your junk and spam mail folders if you can't find the email.

- [Auralia Student Cloud Licence](#)
- [Musition Student Cloud Licence](#)
- [Auralia & Musition Cloud Licence Bundle](#)

You will have purchased your licence via your Music Store, Bookseller or other retail outlet. Open the card and you will find your serial number; if you have purchased electronically the serial will have been emailed to you.

STEP 3: REGISTRATION

Go to the registration page and enter your serial number. You will also need to enter your details, school code and school PIN.

www.risingsoftware.com/register/

Once registration has been successfully completed, you will receive email with download links, login details and your initial password.

If you have purchased the Auralia & Musition bundle, note that the login name and password is the same for both programs.

The initial password will need to be changed when you first login.

Online Registration and Activation

Please enter your serial number
